# COMMERCIAL ITEM DESCRIPTION

## GAGE SET, OPHTHALMIC LENS GRINDING TOOLS, METAL

The General Service Administration has authorized the use of this commercial item description.

This commercial item description covers a gage set for checking ophthalmic lens grinding tools which are to be used in lens finishing optical laboratory.

Salient characteristics:

Shall be supplied as a set for checking plus and minus curves from plano to 20.00 diopters in 0..25 diopter increments. Minimum number on each set shall consist of 81 gages for double curved edges, or 161 gages for single curved edges.

Each gage shall be a flat metal plate made of hard leaded brass of not less than 20 U.S. gauge (0.032 inch) thick. The gages shall be made with either one or two curved edges, that is, with either a plus of minus curve on one edge of each gage, or with a plus curve on one edge and a minus curve of same power on the edge of the same gage. The gage curvatures shall be machined to an accuracy of plus or minus 1/1000th of an inch. Gages manufactured by stamping method will not be acceptable. All sharp edges shall be rounded.

On the face of each gage shall be stamped or etched with dioptric value and two drilled holes with 1/4 inch nominal.

Workmanship. The gage set shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Set (SE). One gage set, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U. S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

FSC 6540

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

AMSC N/A

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

**INSTRUCTIONS:** In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

*NOTE* This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document(s) or to amend contractual requirements.
