COMMERCIAL ITEM DESCRIPTION

LABEL, X-RAY FILM IDENTIFICATION

The General Services Administration has authorized the use of this commercial item description.

This commercial item description covers a pressure sensitive adhesive, radiopaque label suitable for permanent identification of x-ray films in military medical treatment facilities.

Salient characteristics:

Shall be a radiopaque label tape on which information can be written, printed, or typed for permanent identification of x-ray films.

Shall be provided with pressure sensitive adhesive on a strippable, protective backing for quick attachment to the holder or cassette.

Shall have the following dimensions: 4 ± 1/8 inches in length, 2 ± 1/32 inches in width, with a radiopaque strip within the borders 13/16 ± 1/16 inch wide.

Manufacturer's instructions shall be furnished with each unit of issue.

Workmanship. The x-ray film identification label shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Package (PG). One package containing three hundred labels, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U. S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

FSC 6525

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

AMSC N/A
