4.3.1.1 - Delete

4.4 - Delete and substitute the following paragraphs:

"4.4 First article inspection - First article inspection shall consist of all the examinations and tests of this specification.

4.4.1 First article samples - Unless otherwise specified, as soon as practicable, after the award of the contract or order, the manufacturer shall submit three gages. The samples shall be representative of the construction, workmanship, components, and materials to be used during production. When a manufacturer is in continuous production of these units from contract to contract, submission of further first article samples on the new contract may be waived at the discretion of the procuring activity (see 6.2). Approval of the first article samples or the waiving of first article inspection does not preclude the requirements of submitting to the quality conformance inspection. The first article inspection samples shall be furnished to the Government as directed by the contracting officer (see 6.2).

4.4.1.1 Upon the completion of the First Article Inspection, all the applicable inspection reports, and when applicable, recommendations and comments pertinent for use in monitoring production shall be forwarded to the cognizant Government activity. One approved First Article Inspection sample shall be returned to the contractor for use in monitoring production."
