O-R-507a
CANCELLATION
October 22, 1968

FEDERAL SPECIFICATION

RODENTICIDE, WARFARIN, CONCENTRATES

This cancellation was approved by the Commissioner, Federal Supply Service, General Services Administration.

Federal Specification O-R-507a, dated February 8, 1954, is hereby cancelled, due to the fact that the materials covered by this specification are included in Interim Federal Specification O-R-00495b(INT-FWS), Rodenticide, Anticoagulant, Concentrates, dated December 14, 1960.
