COMMERCIAL ITEM DESCRIPTION

FLURAZEPAM HYDROCHLORIDE CAPSULES, USP

The General Services Administration has authorized the use of this Commercial Item Description as a replacement for Military Specification MIL-F-37135A which is cancelled.

Salient characteristics:

Shall be Flurazepam Hydrochloride Capsules, USP.

Shall be in accordance with the requirements of the USP.

All ingredients shall be of a pharmaceutical grade.

For Strength 1, shall contain 15 mg of Flurazepam Hydrochloride per capsule within the applicable assay limits.

For Strength 2, shall contain 30 mg of Flurazepam Hydrochloride per capsule within the applicable assay limits.

Each tablet shall be marked/embossed with a product identification code to identify the active ingredient(s), strength, and manufacturer. The materials used in marking/embossing the dosage forms shall be acceptable to the FDA. The actual code used for the product shall be left to the discretion of the supplier.

Workmanship. The capsules shall be free from defects which detract from their appearance or impair their serviceability.

AMSC/NA FSC 6505

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Unit.

For Size 1 - Bottle (BT). One bottle containing 100 capsules, as specified, constitutes one unit.

For Size 2 - Package (PG). Shall be supplied 30 capsules in a commercially available bottle. Bottle shall be supplied with a child-resistant safety closure and shall have a minimum height of 51 mm base to shoulder. Also, the unit bottle and package shall have a tamper evident seal, either inner or outer seals. One package containing 10 bottles, as specified, constitutes one unit.

For Size 3 - Package (PG). Shall be supplied 25 capsules, individually sealed in a commercially available reverse-numbered continuous roll blister or strip packaging. One package containing four (4) packages, as specified, constitutes one unit.

For Size 4 - Bottle (BT). One bottle containing 500 capsules, as specified, constitutes one unit.

For Size 5 - Bottle (BT). One bottle containing 30 capsules, as specified, constitutes one unit. Bottle shall be supplied with a child-resistant safety closure.

For Size 6 - Package (PG). One package containing 100 capsules, individually sealed in blister or strip packaging, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580, as amended, and as implemented by Federal Acquisition Regulation Subpart 23.4 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE: This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document(s) or to amend contractual requirements.
