7. APPLICATION/INTERRELATIONSHIP

7.1 This Data Item Description (DID) contains the format, content, and interrelationship requirements for General Document information resulting from the work task described in the contract SOW. This DID is applicable to the acquisition and support of systems, equipment, software, and components for military use.

7.2 It is not intended that all of the requirements contained herein should be applied to every program. This DID should be tailored to the minimum acceptable data requirements of the applicable contract or purchase order. Data information subpacket selection and ordering guidance can be found in MIL-STD-2549, Appendix A.

7.3 If a document DID (see DOD 5010.12-L, DOD Acquisition Management Systems and Data Requirements Control List [AMSDL] for existing DIDs for the documents and document supplements being requested) is cited in the CDRL, see Table A-I of MIL-STD-2549 for guidelines to require the data in the electronic format of subpacket 2A or 2B instead of including DI-CMAN-81552 in the CDRL.
