INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

CLOTH, COATED (TABLE AND SHELF)

This Interim Amendment was developed by General Services Administration, Federal Supply Service, Standardization Division, Washington, D. C. 20406. The primary purpose of this amendment is to delete requirements for an oleoresinous coating compound. Its use is authorized by the General Services Administration for procurement purposes by all Federal agencies as a part of Federal Specification CCC-C-417c dated October 27, 1964.
