SUPERSEDING
INT. AMENDMENT -1
August 19, 1974

INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

PAIL, PLASTIC (POLYETHYLENE, PE)

This interim amendment was developed by the General Services Administration, Federal Supply Service, Washington, DC 20406, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to Federal Specification L-P-65B, dated May 18, 1973.

PAGE 2

Paragraph 3.1.1.1, end of sentence. Add "except the minimum ultimate elongation shall be 200 percent."

PAGE 3

Paragraph 3.2.1, last line. Delete and substitute "Any difference between the measurements of the bottom diameter and the height of the side of the pail shall not exceed 1-1/2 inches."

Paragraph 3.6. Delete in its entirety and substitute "The color of the pails shall be at the option of the manufacturer, except that yellow color is not acceptable."

PAGE 4
