COMMERCIAL ITEM DESCRIPTION

SODIUM BICARBONATE, TECHNICAL

The General Services Administration has authorized this use of this commercial item description, for all federal agencies.

1. This Commercial Item Description covers Sodium Bicarbonate, Technical in accordance with the latest edition of ASTM D 928 in effect at the time of contract or order.

2. Certification. The contractor shall certify that the product offered meets the salient characteristics of this description, and that the product conforms to the producer's own drawings, specifications, standards and quality assurance practices and is the same product offered for sale in the commercial marketplace. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

3. Preservation, packaging, packing, labeling, and marking. Preservation, packaging, packing, labeling, and marking shall be as specified in the contract or order.

4. The latest revision of ASTM standards may be obtained from the American Society for Testing and Materials, 100 Barr Harbor Drive, West Conshohocken, PA 19428-2959.

Preparing Activity
GSA - FSS
