COMMERCIAL ITEM DESCRIPTION

BOTTLE, SCREW CAP (POLYETHYLENE), 36.96 cc (1.25 OUNCES)

The General Services Administration has authorized the use of this commercial item description.

This description covers a low density polyethylene bottle of 36.96 cc (1.25 ounce) capacity, oval in shape, complete with a screw cap and suitable as a component of Belt Weather Kits.

1. Salient Characteristics.

1.1 The bottle with a capacity of 36.96 cc (1.25 ounces), with a tolerance of +/- 5%, shall be blow molded of an opaque, white, unbreakable, low density polyethylene plastic. It shall be oval in shape with a flat bottom, and a flat, standard, threaded cap with liner which is water tight.

1.2 Threads on the bottle shall be clear, sharp, molded edges functionally equal to machine cut threads which shall retain the cap securely on the bottle.

1.3 The cap shall be made of polypropylene, size 18-410 with a standard black finish.

1.4. Workmanship. The bottle shall be free from any defects that may affect its serviceability, durability, appearance, or present a hazard to the end user.

{Beneficial comments, recommendations, additions, deletions clarifications, etc. and any other data which may improve this document should be sent to: General Services Administration, Engineeiring Branch (2FYEE), New York, NY 10278.}

2. Recovered Materials:

The contractor must certify that the product offered shall include recovered material in accordance with Public Law 94-580 to the maximum extent practicable.

3. Quality Assurance:

Product Conformance: The product provided shall meet the salient characteristics of this commercial item description. The quality of the product sold to the government shall be equal to or better than the quality of the product sold by the manufacturer in the commercial market. The government reserves the right to require proof of such conformance.

4. Preparation for Handling:

Packaging, Packing, Labeling, and Marking shall be as specified in the contract or purchase order.

5. Ordering Data:

Purchasers should reference this commercial item description when ordering, and state their requirements for packaging, packing, labeling, and marking.

No official DOD interest has been registered.

Preparing Activity:
