Add: New note 3 as follows:

"3. First article inspection shall consist of performing all tests listed on this tube specification sheet. The sample size and allowable defects shall be in accordance with MIL-E-1, Qualification, Samples and acceptance criteria. Three copies of the test report, prepared in accordance with MIL-STD-813, shall be forwarded to the purchasing activity.

Invitation for bids should provide that the Government reserves the right to waive the requirements for first article samples as to those bidders offering a product which has been previously procured or tested by the Government, and that bidders offering such products who wish to rely on such production or test, must furnish evidence with the bid that prior Government approval is presently appropriate for the pending procurement."
