INTERIM COMMERCIAL ITEM DESCRIPTION

BUTALBITAL, ASPIRIN AND CAFFEINE CAPSULES

The General Services Administration has authorized the use of this Interim Commercial Item Description which was developed by the Defense Personnel Support Center, Directorate of Medical Materiel, DPSC-RST, 2800 South 20th Street, Philadelphia, PA 19101, based upon currently available technical information.

Salient Characteristics:

Shall be Butalbital, Aspirin and Caffeine Capsules, individually sealed in reverse numbered rolled strip in tamper proof package.

Each capsule shall contain:

Aspirin	325 mg
Butalbital	50 mg
Caffeine	40 mg

Within the applicable assay limits, when assayed by an accurate, reliable and reproducible assay method.

All ingredients used in the manufacture of the capsules shall be of pharmaceutical grade.

Each capsule shall be sealed in its own pocket and so designed that the end pocket can be removed and the seal on the adjoining pocket shall not be distrubed. The individual pockets shall be consecutively numbered from 1 to 25. One roll of 25 capsules shall be contained in a suitable carton and so designed as to be tamper-proof. The numbers on the strip package shall be in reverse order so that the first pocket removed shall be number 25 and the second number removed shall be 24, etc.

Workmanship. The Capsules shall be free from defects which detract from their appearance or impair their serviceability.

AMSC/NA FSC 6505

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Unit. Package (PG). One package containing 25 individually sealed capsules, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580, as amended, and as implemented by Federal Acquisition Regulation Subpart 23.4 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

NOTE: The following National Stock Number is covered by this document:

NSN	ITEM IDENTIFICATION
6505-01-228-9860	BUTALBITAL, ASPIRIN AND CAFFEINE CAPSULES, Individually Sealed, 25s

INSTRUCTIONS. In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE: This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document(s) or to amend contractual requirements.
