INTERIM AMENDMENT

FEDERAL SPECIFICATION

LITHOGRAPHIC SOLVENT

This Interim Amendment was developed by the U.S. Army Natick Laboratories (GL), Natick, MA 01760, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above. The General Services Administration has authorized the use of this interim amendment as a valid exception to Federal Specification O-L-1031A.

PAGE 2
