MILITARY SPECIFICATION

SEALING COMPOUND, ELECTRICAL HIGH STRENGTH, ACCELERATOR REQUIRED

This amendment forms a part of Military Specification MIL-S-81732, dated 14 August 1969, and has been approved by the Naval Air Systems Command, Department of the Navy.

Page 3

3.1: Delete in entirety and substitute:

"3.1 First article inspection. When specified by the procuring activity (see 6.2), the sealing compound furnished under this specification shall have been inspected and shall have passed the first article inspection of 4.3."

Page 4

3.3.1.4, in line 4:

(a) Delete "(see 6.6)."

(b) Add an additional sentence: "When specified by procuring activity, the manufacturer will furnish certification to the requirement."

Page 7

4.2: Delete subelement (a) "Qualification tests" and substitute "First article inspection."

4.3 and 4.3.1: Delete both paragraphs and substitute:

"4.3 First article inspection. First article inspection shall be performed on the first lot or order of sealing compound furnished under this specification and on any subsequent lot or order when specified by the procuring activity (see 6.2). First article inspection shall consist of all the test and inspections of this specification. (See 6.3).

4.3.1 First article sample. Unless otherwise specified by the procuring activity, the first article sample shall be furnished in containers of the

type specified in Section 5. The first article sample shall have been produced in the same facilities intended for the production run."

Page 8

4.3.2, in lines 2, 3, and 4: Change the word "qualification" to "first article."

Page 22

6.2: Add new subelements as follows:

"(g) First article approval, when required (see 4.3).

(h) Storage life certification (see 3.3.1.4)."

6.3: Delete in entirety and substitute:

"6.3 First article instructions. When first article inspection is required, the procuring activity shall designate the laboratory to which the first article samples shall be forwarded. The first article sample size shall be as specified in 4.3.1."

6.6: Delete in entirety.

Preparing Activity:
