3.4.4 Test results: The test results shall be reported to the nearest 0.1 percent. Any result not conforming to the finished product requirement shall be cause for rejection of the lot.

4. REGULATORY REQUIREMENTS.

4.1 The delivered beverage bases shall comply with all applicable Federal, State, and local mandatory requirements and regulations relating to the preparation, packaging, labeling, storage, distribution, and sale of beverage bases in the commercial marketplace. Delivered beverage bases shall conform in every respect to the provisions of the Federal Food, Drug, and Cosmetic Act and regulations promulgated thereunder.

5. QUALITY ASSURANCE PROVISIONS. *Purchaser shall specify 5.1 or 5.2*.

5.1 Product conformance: The beverage bases provided shall meet the salient characteristics of this CID, conform to the producer's own specifications, standards, and quality assurance practices, and be the same beverage bases offered for sale in the commercial market. The purchaser reserves the right to require proof of such conformance.

5.2 USDA certification: When the solicitation, contract, or purchase order requires that the beverage bases quality or acceptability or both be determined, the Processed Products Branch (PPB), USDA shall be the certifying activity and shall make the determination in accordance with applicable PPB procedures. The beverage bases shall be examined or analyzed, or both, in accordance with applicable provisions in the CID, solicitation, contract, or purchase order, and when applicable, the United States Standards for Condition of Food Containers in effect on the date of the solicitation.
