MATERIAL: graduates shall be made of molded [illegible] polypropylene.

DESIGN: The [illegible] cylindrical graduates shall have a flared wide-mouth [illegible] ring and pour out lip. They shall have double scale with easily read-no meniscus graduations.

NOTES:

1. Items differing from this military standard by minor variations in design or dimensions are considered standard under this document, provided such variations do not affect performance and are not in conflict with the material requirements as specified herein.

2. Referenced documents shall be of the issue on date of invitation for bids.
