FOREWORD

1. This Military Standard is approved for use by Department of the Army and is available for use by all Departments and Agencies of the Department of Defense.

2. Beneficial comments (recommendations,additions, deletions) and any pertinent data which may be of use in improving this document should be addressed to Executive Director, USAMC Logistics Support Activity, ATTN: AMXLS-APP, Redstone Arsenal, AL 35898-7466 by using the self-addressed Standardization Document Improvement Proposal (DD Form 1426) appearing at the end of this document or by letter.

3. This Military Standard establishes uniform requirements for displayed messages generated for or presented by automatic test equipment.

4. This Standard shall be invoked on all contracts for test program sets to be used with automatic test sets.
