MIL-P-82540(OS)
AMENDMENT 1

3 September 1970

MILITARY SPECIFICATION

PLASTICS MATERIALS, POLYESTER RESIN, GLASS
FIBER BASE, FILAMENT WOUND TUBE

This amendment forms a part of Military Specification MIL-P-82540(OS) of 1 July 1968 and has been approved by the Naval Ordnance Systems Command, Department of the Navy.

Page 1, paragraph 2.1: Under "SPECIFICATIONS" add "MIL-R-60346, Roving Glass, Fibrous."

Page 2, paragraph 3.2.1. Delete and substitute:
"3.2.1 Glass fiber continuous roving. The roving shall be in accordance with MIL-R-60346, Type I, K37, Class 2 (polyester compatible), 8 to 30 ends."
