COMMERCIAL ITEM DESCRIPTION

SCALE, DIGITAL, OVERHEAD, MONORAIL

The General Services Administration has authorized the use of this commercial item description.

1. Intended use. This commercial item description covers an overhead digital scale used for weighing dressed meat products.

2. Salient characteristics.

2.1 Design and construction. The overhead, digital, monorail scale unit shall have a 1500-pound capacity and the weight range shall go from 0 to 1500 pounds in half-pound graduations. The overhead rail shall have a 4-foot long minimum weighing section plus an approaching and ending continuous rail section. The scale shall have a wall mounted digital indicator displaying a minimum of 5 digits, automatic zero tracking, and a wall mounting bracket. The scale unit shall be constructed of stainless steel. The rail channels shall be approximately 2-1/2 inches high by 1/2-inch thick stainless steel. A 50-foot minimum electrical cable shall be furnished and shall be tied into the weighing rail and digital indicator.

2.2 Dimensions. The approximate dimensions of the overhead monorail scale shall be 72 inches long by 9 inches wide by 8 inches high. The digital indicator shall be approximately 18 inches long by 17 inches high by 8 inches deep.

2.3 Electrical. The scale shall operate on 120 volts, 60 hertz, single phase power source domestically and 220 volts, 50 hertz, single phase for overseas operations (see 5.1). The power consumption shall not exceed 15 watts.

2.4 Standards compliance. The scale shall comply with the National Bureau of Standards Handbook NBS-H44.

3. Certification. The contractor shall certify that the product offered meets the salient characteristics of this description, conforms to the producer's own drawings, specifications, standards, and quality assurance practices, and is the same as the product offered for sale in the commercial marketplace. The Government reserves the right to require proof of such conformance prior to the first delivery and thereafter as may be otherwise provided for under the provisions of the contract.
