DATA ITEM DESCRIPTION

Title: CONTAINER DESIGN RETRIEVAL SYSTEM (CDRS) SEARCH REQUEST

Number: DI-PACK-80683B
Approved Date: 20070927
AMSC Number: F9023
Limitation: N/A
DTIC Applicable: No
GIDEP Applicable: No
Office of Primary Responsibility: 11 (688 ARSS/EN)
Applicable Forms: N/A

Use/Relationship: The Container Design Retrieval System (CDRS) Search Request will be used to search the Department of Defense (DoD) computerized CDRS data base. This system is maintained by the Air Force's Packaging and Transportation Group at Eglin AFB, https://peonet.eglin.af.mil/containers/site.htm in order to identify any applicable containers or designs in the Government System. Its use will preclude the design of new specialized containers when suitable ones are already in the system.

a. This Data Item Description (DID) contains the format, content, and intended use information for the data deliverable resulting from the work task described in the solicitation.

b. DI-PACK-80683B supersedes DI-PACK-80683A.

Requirements:

1. Reference Documents. The applicable issue of the documents cited herein, including their approval dates and dates of any applicable amendments, notices, and revisions, shall be as cited in the current issue of the contract at the time of solicitation.

2. Format. The CDRS Search Request shall be in the contractor's format.

3. Content. The CDRS Search Request shall include, when available, the following information. The information furnished to CDRS shall be as complete as practical. Supplementary rough sketches or drawings of the item to be packaged shall be included when available. The CDRS e-mail address is: CDRS@eglin.af.mil.

a. Requester's name, address, telephone number, and e-mail address.

b. Date request submitted.

c. Government agency supported (contractor only).

d. Government contract number and government contract officer's name, address, telephone, number and e-mail address (contractor only).

e. The nomenclature, part number and national stock number of the item or items to be packaged.

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Check the source to verify that this is the current version before use.

f. Dimensions of item (length, width, height, or diameter).

g. Item weight.

h. Item fragility.

i. Department of Transportation hazardous class.

j. Item packaging constraints.

k. Container special handling requirements (handles, lift rings).

l. Desired container composition.

m. Items per container.

n. Number of containers required.

o. Estimated cost for designing, developing, and testing new container.

p. Estimated new container production unit cost.

q. Method of preservation.

4. End of DI-PACK-80683B.
