SUPERSEDING
NOTICE 1
20 June 1968

SAMPLING PETROLEUM AND PETROLEUM PRODUCTS

Adoption notice, dated 20 June 1968, to ASTM D270-65, is hereby cancelled. ASTM D270 was discontinued June 1984. Future sampling for petroleum and petroleum products should be in accordance with ASTM D4057 Standard Practice for Manual Sampling of Petroleum and Petroleum Products or ASTM D4177 Standard Method for Automatic Sampling of Petroleum and Petroleum Products, as applicable.

(Application for copies should be addressed to the American Society for Testing and Materials, 1916 Race Street, Philadelphia, PA 19103.)

(Industry association specifications and standards are generally available for reference from libraries. They are also distributed among technical groups and using Federal agencies.)
