DATA ITEM DESCRIPTION
Title: PURCHASE ORDER AND SUPPLIER SURVEILLANCE DATA

Number: DI-MISC-81616A
AMSC Number:
DTIC Applicable: No
Preparing Activity: SH
Applicable Forms: N/A

Approval Date: 20191114
Limitation: N/A
GIDEP Applicable: No
Project Number: MISC-2019-013

Use/Relationship: The purchase order and supplier surveillance data will enable the Government to monitor contractor-furnished equipment and the supplier industrial base.

This Data Item Description (DID) contains the format, content, and intended use information for the data deliverable resulting from the work task described in the solicitation and resulting contract, and is applicable to the acquisition of military ships, systems, equipment, and facilities.

Requirements:

1. Reference Documents. None.

2. Format. Purchase Order and Supplier Surveillance Data shall be in contractor format.

3. Content. The Purchase Order and Supplier Surveillance Data shall include the following information:

a. Material purchase order data elements – For all contractor-furnished parts and/or material required to build one end-item supplied by the prime contractor (e.g., a ship), the following data shall be provided:

1. Platform (e.g., DDG 52)
2. Supplier name
3. Shipyard supplier number
4. Supplier address (street address, city, state, and zip)
5. Supplier cage code
6. Critical supplier (Yes/No)
7. Purchase order number
8. Purchase order line number
9. Purchase order issue date
10. Purchase order revision number
11. Purchase order revision date
12. Make or buy status
13. Number of suppliers solicited
14. Number of bids received
15. Award Basis (sole source, lowest bid, etc.)
16. PO type (cost plus, fixed price, long-term agreement)
17. Part number (shipyard part number)
18. Part number (supplier/manufacturer part number)
19. National Stock Number (NSN)
20. Part name/nomenclature in accordance with Federal Item Name Directory for Supply Cataloging, H6
21. Part description
22. Material type
