DATA ITEM DESCRIPTION

Title: NOTIFICATION OF TEST/TRIALS

Number: DI-MISC-81624 **Approval Date:** 20010801
AMSC Number: N7454 **Limitation:**
DTIC Applicable: **GIDEP Applicable:**
Office of Primary Responsibility: N/PMS377
Applicable Forms:
Use/Relationship: A Notification of Test will be used to identify testing to be performed, and when and where testing will be performed. This notification allows the Government to plan for the witnessing of selected testing. When used as a Notification of Trial, it provides the contractor's proposed dates for a craft trial. For an Underway Trial, the Notification allows NAVSEA the time to appoint a Trials Board.

a. This Data Item Description (DID) contains the format and content preparation instructions for the data product generated by the specific and discrete task required as delineated in the contract.

Requirements:

1. Format. The Notification of Test and the Notification of Trials shall be in the Contractor's format.

2. Content.

2.1 The Notification of Test shall contain the following:

a. Contract number
b. Test procedures to be performed (More than one test procedure may appear on each notification)
c. Location of each test
d. Date and time for each test
e. Responsible test director/conductor for each test
f. Date and time for each test
g. Contractor and recommended Government personnel to be in attendance
h. Estimate of the length of time that the Government support services will be required.

2.2 The Notification of Trials shall contain the following:

DISTRIBUTION STATEMENT A: APPROVED FOR PUBLIC RELEASE; DISTRIBUTION IS UNLIMITED.
