MILITARY SPECIFICATION

SURFBOARD (PADDLEBOARD), PLASTIC

This amendment forms a part of Military Specification MIL-S-18485A(SHIPS), 6 September 1955.

Page 1, paragraph 2.1, under Federal Specifications: Delete reference to "FF-S-107 and "QQ-S-763".

Page 3, paragraph 3.4.5: Delete.

Page 3, paragraph 3.4.7: Delete.

Page 3, paragraph 3.4.8: Delete and substitute:

"3.4.8 Nails. - Nails shall be barbed, brass conforming to Specification FF-N-101, type E-2a(1), length 1-1/4 inches."

Page 4, paragraph 3.8.3: Delete and substitute:

"3.8.3 Towing eyes, lashing eyes and drain plugs. - Towing and lashing eyes shall be fabricated from reinforced glass plastic, brass, or bronze. Drain plugs shall be fabricated from brass or bronze. Brass or bronze components shall have a permeability ranging between 1.003 and 1.005 and shall contain not more than 0.05 iron content."

Page 7, paragraph 4.6.1: Add "The surfboards shall be freely dropped in a manner that insures impact in the intended position. Quick release hooks attached at the bow and stern towing eyes with a control for simultaneous release are suggested. Light weights may be attached to the lashing eyes to insure the stability of the drop".

Page 7, paragraph 4.6.2, lines 2, 4, and 7: Delete "3 p.s.i.g." and substitute "1 p.s.i.g.".

Page 7, paragraph 4.6.2, line 5: Delete "24 hours" and substitute "3 hours".

Page 7, paragraph 4.6.2, line 6: Delete "24 hour" and substitute "3 hour".

Page 7, paragraph 4.6.3: Delete and substitute:

"4.6.3 Immersion test. - The surfboard shall be thoroughly dried, both inside and out, and accurately weighed in air. The surfboard shall then be submerged in water with the deck 2 feet minus 0, below the surface. The surfboard shall remain submerged at the 2 foot depth for 1 hour. At the end of the 1 hour period the surfboard shall be removed from the water, dried by wiping the outside only, and reweighed immediately. Surfboards that show an increase in weight of 1 percent or more above the original weight shall be declared defective. The weight of the surfboard before and after immersion shall be recorded and made a part of the inspection report."

Page 8, add as paragraph 5.2.1:

"5.2.1 Stenciling. - *The following shall be legibly stenciled near each drain plug: Loosen drain plug before storing or shipping.*"
