COMMERCIAL ITEM DESCRIPTION

VEHICLE COVERS AND END CURTAINS

The General Services Administration has authorized the use of this Commercial Item Description (CID) for all federal agencies.

1. SCOPE. This CID covers the requirements for protective covers that fit on the top and ends of motor vehicle (truck) bodies. The fitted covers are contained in a single classification.

2. CLASSIFICATION/PART OR IDENTIFICATION NUMBER (PIN). This CID describes a single class of covers and end curtains.

2.1 Classification identifying Vehicle Top Covers sizes 6, 8, 26, 27, 28, 30 and Vehicle End Curtains sizes 4, 16, 18, 20.

2.2 Part or Identification Number (PIN). (see the following example)

Beneficial comments, recommendations, additions, deletions, clarifications, etc., and any data which may improve this document should be sent to: Defense Supply Center, Columbus, ATTN: DSCC-VAI, Box 3990, Columbus, OH 43216-5000, or telephone (614) 692-0566, or facsimile (FAX) (614) 692-6939.

AMSC N/A FSC 2540

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Check the source to verify that this is the current version before use.

3. SALIENT CHARACTERISTICS.

3.1 Design. The fitted covers shall be made in accordance to the dimensions in Tables 2 and 4 as they apply to figures 1, 2, and 3.

3.2 Characteristics. The fitted covers shall have the following characteristics or capabilities:

a. Provide a protective barrier against sun, wind, water, dust and dirt for the vehicle body it is mounted on.

b. Provided with a means to resist abrasion from the vehicle body and the mounting points and supports.

c. Be equipped with adjustable provisions to secure the cover to the vehicle on the sides, front and rear which match the tie down or securing points on the applicable vehicle.

d. Be equipped with provisions to roll up and secure the cover while it is mounted on the vehicle.

e. Be the color specified in the purchase order.

f. Be constructed of 19 to 22 ounce material treated to repel water.

g. Be made to the dimensions in tables 2 and 4 as they pertain to figure numbers 1, 2 and 3.

h. Be marked to indicate which end goes on the front of the intended vehicle.

i. Be marked with the manufacturer's part number on the inside cover or end curtain.

4. REGULATORY REQUIREMENTS. The offeror/contractor is encouraged to use recovered materials to the maximum extent practicable, in accordance with paragraph 25.403 of the Federal Acquisition Regulation (FAR).

5. PRODUCT CONFORMANCE PROVISIONS.

5.1 Product Conformance. The products provided shall meet the salient characteristics of this CID, conform to the producer's own drawings, specifications, standards, and quality assurance practices, and be the same product offered for sale in the commercial market. The Government reserves the right to require proof of such conformance.

5.2 Market Acceptance. The following market acceptance criteria are necessary to document the quality of the product provided under this CID.

a. The company producing the item shall have at least 5 years of previous experience providing a product that meets the general characteristics of the CID.

b. The company shall have sold at least 50 similar commercial vehicle or trailer covers in the last two procurement years.

c. The company shall have a current commercial product line that will support the delivery of items described in the CID.

6. PACKAGING. Preservation, packing and marking shall be as specified in the contract or order.

7. NOTES.

7.1 PIN. The PIN should be used for Government purposes to buy commercial products to this CID. See section 2 for PIN format example.

7.2 Commercial Products. This CID was coordinated with the following manufactures of commercial tarps and covers. The manufacturers were known to have commercial products that would meet the requirements of the CID. This information should not be considered as a list of approved manufacturers or be used to restrict procurement to only the manufacturers shown.
