MIL-I-22834A(SHIPS)
AMENDMENT - 1
27 April 1964

MILITARY SPECIFICATION

INSULATION, ELECTRICAL, DIELECTRIC BARRIER, LAMINATED, PLASTIC FILM AND SYNTHETIC FIBER MAT

This Amendment forms a part of Military Specification MIL-I-22834A(SHIPS), 12 April 1962.

Page 1, paragraph 1.2.1, line 1: Delete "Compositions" and substitute "Compositions 1/".

Page 1: At bottom of page add:

"1/ Impregnating binders other than epoxy resin may be used provided all other requirements are met and the marking nomenclature (see 5.1.3) clearly designates the binder resin used."
