Page 30, paragraphs 6.4 and 6.4.1: Delete and substitute:

"6.4 ELECTRICAL CERTIFICATION.- The contractor shall submit proof that the electrical system specified in 3.10 which will be supplied under this specification meets the requirements of pamphlet 70. The label or listing of the Underwriters' Laboratories, Inc. will be accepted as evidence of conforming to the specification requirements.

"6.4.1 In lieu of the label or listing, the contractor may submit independent proof satisfactory to the procuring activity that the electrical system conforms to the requirements of pamphlet 70. Compliance with these requirements does not absolve the contractor from complete compliance with the other requirements of this specification."
