PAGE 6

*REQUIREMENTS, Mating characteristics: Delete “See figure 2 for dimensions.” and substitute “See MIL-STD-348A.”

PAGE 11

TABLE V, delete and substitute footnote 1/ as printed below:

"The 'B' part number is required marking for connectors manufactured after 24 March 1987. The connectors that are in stock or distribution that were previously qualified and marked with the old part number shall also be considered acceptable for Government use until stock is purged. (Applies to category "B" P/N change only; M39012/XXBXXXX)."

NOTE: The margins of this amendment are marked with asterisks to indicate where changes from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last.
