COMMERCIAL ITEM DESCRIPTION

HEMORRHOIDAL SUPPOSITORIES

The General Services Administration has authorized the use of this commercial item description.

This commercial item description describes a hemorrhoidal suppository.

Salient characteristics. Hemorrhoidal Suppositories, shall contain not less than 90.0 percent and not more than 110.0 percent of the labeled amounts of phenylephrine hydrochloride.

Shall contain phenylephrine hydrochloride 0.025% in a suppository base consisting of Hard Fat, NF.

Each shall weigh not less than 2.1 grams and not more than 2.3 grams. All ingredients shall be of a pharmaceutical grade.

Workmanship. The suppositories shall be free from defects which detract from their appearance or impair their serviceability.

Unit.

Size 1 - Package (PG). One package containing 12 individually foil sealed suppositories, as specified, constitutes one unit.

Size 2 - Package (PG). One package containing 24 individually foil sealed suppositories, as specified, constitutes one unit.

Quality Assurance Provisions.

Responsibility for inspection. Unless otherwise specified in the contract of purchase order, the contractor is responsible for the performance of all inspection requirements as specified herein. Except as otherwise specified in the contract or purchase order, the contractor may use his own or any facilities suitable for the performance of the inspection requirements specified herein, unless disapproved by the government. The government reserves the right to perform any of the inspections set forth in the specification where such inspections are deemed necessary to assure supplies and services conform to prescribed requirements.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description, and conforms to the producer's own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Federal Acquisition Regulation Subpart 23.4 to the maximum extent practical.

Preservation, packaging, packing, labeling and marking. Unless otherwise specified, preservation, packaging and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

NOTE. The following National Stock Numbers are covered by this document:

NSN	NOMENCLATURE	SIZE
6505-01-350-8164	Hemorrhoidal Suppositories, Phenylephrine Hydrochloride 0.25% Individually Foil Sealed, 12s	1
6505-01-350-8165	Hemorrhoidal Suppositories, Phenylephrine Hydrochloride 0.25% Individually Foil Sealed, 24s	2
