ADOPTION NOTICE

SAE-AS9349, "Clamp, Loop, Cushioned, Joggled, Cres, 0.204 Hole," was adopted on 27 October 2003, for use by the Department of Defense (DoD). Proposed changes by DoD activities must be submitted to the DoD Adopting Activity: Commander, Naval Air Warfare Center Aircraft Division, Code 414100B120-3, Highway 547, Lakehurst, NJ 08733-5100. Copies of this standard are available from SAE International, 400 Commonwealth Drive, Warrendale, PA 15096-0001 or www.sae.org.

SAE-AS9349 should be used instead of MS9349, which was canceled on 27 October 2003.

Custodians:
Navy - AS
Air Force - 11
