PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-S-6852

SPLICES; ELECTRICAL DISCONNECT

GOVERNMENT DESIGNATION	MANUFACTURER'S DESIGNATION	TEST OR QUALIFICATION REFERENCE	MANUFACTURER'S NAME AND ADDRESS

As of 16 July 1963, no electrical disconnect splices have been tested and qualified under Military Specification MIL-S-6852. Pending the establishment of a Qualified Products List or the approval of a product for inclusion on the Qualified Products List, the qualification requirements (paragraphs 4.2 and 6.4) and the qualification tests of Military Specification MIL-S-6852 shall be waived for procurements. However, electrical disconnect splices furnished under Military Specification MIL-S-6852 shall be capable of meeting the qualification tests, and procuring agencies may require contractors to furnish preproduction samples of the electrical disconnect splices that they propose to supply for Government inspection and contractual approval.

When a Qualified Products List is established for Military Specification MIL-S-6852, this Notice should be destroyed.

The responsibility for establishment of a Qualified Products List for Military Specification MIL-S-6852 has been assigned to the Bureau of Naval Weapons, Department of the Navy, Washington 25, D. C.
