6.2.d: Delete and substitute:

"6.2.d. If qualification data is required (see 4.2)."

6.3: Delete and substitute:

"6.3 Qualification. The attention of the contractors is called to the requirements with respect to products requiring qualification. Awards will be made only for products which are, at the time of the contract award, qualified for inclusion in the Qualified Products List, QPL 26622 whether or not such products have actually been listed by that date. In order that the manufacturers may be eligible to be awarded contracts or purchase orders for the products covered by this specification, they are urged to arrange to have the products that they propose to offer to the Federal Government tested for qualification. Information pertaining to the qualification of products may be obtained from: Oklahoma City Air Logistics Center, OC-ALC/TICLA, 3001 Staff Drive, Suite 1AE1-101A, Tinker AFB, OK 73145-3036."

* 6.4 Include "6.4 Subject term (keyword listing)".

* 6.5 Add: "6.5 The margins of this Amendment are marked with an asterisk to indicate where changes from the first amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment."
