Table I, Examination or Test: Change "M804E1" to "M804A1"

Table I, Delete the following:

"(Except Proving Ground Test)" and
"Proving Ground Test 20, Level I, 3.8, 4.5.7"

PAGE 12

4.4.2.1 Major 104 Delete "20, 0-1" and substitute "4.4.3.2.2".

PAGE 22 and 23

4.4.2.10 Title block: Change "M804E1" to M804A1"

PAGE 25

4.4.3.2.1.1 Add the following new sentence: "If the hardness of any cup is over the maximum requirement, that cup shall be rejected and removed from the lot."

4.4.3.2.1.2 Add the following new sentence: "If the hardness of any sample cup is over the maximum requirement, all parts in that stress relief lot shall be tested for hardness, and all cups over the maximum requirement shall be rejected and removed from the lot."

Add "4.4.3.2.2 Tensile force. Five sample cups shall be selected from each heat treatment or stress relief lot and subjected to the tensile force test. The sample cups shall be those with the lowest hardness, considered to represent acceptable process, as measured in 4.4.3.2.1.1 or 4.4.3.2.1.2 above. If any sample cup fails to meet the applicable requirement, the heat treatment or stress relief lot represented by this sample, shall be rejected. Procedures for reheat or stress relief, or for screening of rejected lots shall be submitted to the Government procurement agency for approval. The tensile force test shall be conducted prior to magnetic particle inspection. All cups with hardness below the lowest tested and accepted shall be rejected and removed from the lot."

PAGE 28

4.5.7 Delete in its entirety.
