MIL-G-24262(SHIPS)
NOTICE-1
27 June 1972

MILITARY SPECIFICATION

GAS TURBINES, AIR SUPPLY UNITS

FOR SHIPBOARD USE

Military Specification MIL-G-24262(SHIPS), 1 December 1966 and Amendment-1 thereto dated 6 September 1968 are hereby canceled.

There is no direct replacement for this specification which can be used in all applications. Information concerning replacement of the gas turbines procured under Specification MIL-G-24262(SHIPS) may be obtained (on an individual case basis) from the Naval Ship Engineering Center, Hyattsville, Maryland 20782.
