DATA ITEM DESCRIPTION

Title: Contractual Shipping Documentation

Number: DI-MISC-81863 **Approval Date: 20120523**
AMSC Number: N9254 **Limitation: N/A**
DTIC Applicable: N/A **GIDEP Applicable: N/A**
Office of Primary Responsibility: SH/NSWC-DD W64
Applicable Forms: N/A

Use/Relationship:

The Contractual Shipping Documentation DID will provide the Government with the information needed to help the Item Management inspect and manage the program.

Requirements:

1. Format. The Contractual Shipping Documentation shall be in the Contractor's format.

2. Content. The Contractual Shipping Documentation shall contain and identify:

a) Ship name and hull number
b) List of applicable Schedule "A" numbers, nomenclature and quantity.
c) National Stock Numbers
d) Serial and Part Numbers.
e) A complete inventory of all GFE provided at a level of detail that includes discrete individual cabinets, components, interface devices, kits and other individually packaged items.
f) List of all applicable Engineering Change Proposals (ECP) changes.
g) Itemized list of all Shipped Short items at the Schedule "A" level along with the estimated delivery dates.
h) Disposition instructions for any material that the shipyard is expected to return, such as shipping reels or containers.

3. The Contractual Shipping Documentation shall also include:

a) Government Bill of Lading (GBL) Number.
