COMMERCIAL ITEM DESCRIPTION

CHART, VISION ACUITY TESTING, ASTIGMATIC DIAL, GREEN

The General Service Administration has authorized the use of this commercial item description.

This Commercial Item Description covers a standard clock face dial (Green) for use in testing astigmatism in any area where ordinary lighting facilities are available.

Salient characteristics:

Shall conform to the design and dimensions as shown on Figure 1. The National Stock Number printed on lower corner is optional.

The cardboard shall be made of chipboard paper, coated with non-reflective white background on one side (face) or both sides with overall thickness from 0.045 inch or more.

The ink shall be jet black. All lines shall show sharp edges with no fuzziness.

The eyelet shall be made of brass or aluminum.

Workmanship. The chart shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Each (EA). One chart as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U. S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

FSC 6540

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.
