COMMERCIAL ITEM DESCRIPTION

WRIGHT'S STAIN

The General Services Administration has authorized the use of this commercial item description in preference to MIL-W-37604 (DSA-DM).

This Commercial Item Description covers Wright's Stain for use in hematology and pathology studies.

Salient characteristics:

Shall be Wright's Stain and shall be a certified biological stain in the form of a dry powder. Shall be a compound of eosin with an oxidized or partly demethylated methylene blue.

Shall be certified by the Biological Stain Commission, University of Rochester Medical Center, Rochester, NY.

Product shall be labeled in accordance with one or more of the options given in 21 CFR 809.10 (a) (6) to insure that it meets appropriate standards of identity, strength, quality, and purity at time of use. The option(s) to be used shall be specified in the contract or order.

Workmanship. Stain (powder) shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Bottle (BT). One bottle containing 25 grams, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U. S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

FSC 6505

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.
