COMMERCIAL ITEM DESCRIPTION

SCREWDRIVER, JEWELER'S, SWIVEL KNOB

The General Services Administration has authorized the use of this commercial item description.

This commercial item description covers one type of jeweler screwdriver to be used for servicing the spectacle frame temple screws.

Salient characteristics:

Shall be a reversible optician screwdriver, nominal overall length is 4-1/2 inches.

The blade shall be double-ended having blade width of 0.086 inch (2.20 mm) at one end and 0.061 inch (1.55 mm) on other end. Blade shall be made of hardened steel to be seated into the handle by a retainer.

The handle shall have knurled pattern made of aluminum or nickel plated steel. End of the handle shall have a swivel head, either round or hexagonal shape intended to fit into palm comfortably.

Workmanship. The screwdriver shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Each (EA). One screwdriver as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U. S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580 to the maximum extent practical.

FSC 5120

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.
