DATA ITEM DESCRIPTION
Title: MAJOR SHORE BASED SPARES REPORT

Number: DI-PSSS-82352
AMSC Number: N10251
DTIC Applicable: No
Preparing Activity: SH
Applicable Forms: N/A

Approval Date: 20210930
Limitation: N/A
GIDEP Applicable: No
Project Number: PSSS-2021-003

Use/Relationship: The Major Shore Based Spares Report is provided to the Government to recommend major shore based spares candidates. The report provides an analysis of mission-essential hull, mechanical and electrical components and critical electronic equipment modules and assemblies and identifies the availability of spares that may have already been procured for the prime equipment or system.

This Data Item Description contains the format, content, and intended use information for the data deliverable resulting from the work task described in the solicitation.

Requirements:

1. Reference Documents: N/A

2. Format. The Major Shore Based Spares Report shall be in the Contractor's format.
