"4.4.2.2 Action in case of failure.- Acceptance of the first lot under a contract or order shall be withheld until a satisfactory report is received on the comparison test sample. Thenceforth, except as hereinafter specified, acceptance and rejection of lots shall normally be on the basis of the sampling and inspection specified in 4.3.2, 4.3.3, and 4.4.1 and acceptance shall not be withheld pending receipt of test reports on comparison test samples. However, upon receipt of an unsatisfactory test report on a comparison test sample, additional samples shall be selected from every subsequent lot. The samples so selected shall be submitted to a laboratory satisfactory to the Bureau of Ships, and shall there be subjected to test or tests wherein failures was observed. Lots shall then be accepted only upon receipt of a satisfactory test report on the samples so selected. Additional testing shall be discontinued and lot acceptance returned to the normal basis when three successive lots have been accepted."
