SUPERSEDING
AMENDMENT-1
January 12, 1968

AMENDMENT

TO

INTERIM FEDERAL SPECIFICATION

TOOL KIT, LEATHERCRAFT

This amendment was developed by the Standardization Division, Federal Supply Service, General Services Administration, Washington, D.C. 20405, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this amendment as a valid exception to Interim Federal Specification GGG-T-00559, dated April 3, 1964.

PAGE 1
