DATA ITEM DESCRIPTION

Title: Weekly Time Sheet

Number: DI-MGMT-81508A
AMSC Number: 7642
DTIC Applicable: N/A
Office of Primary Responsibility: NS/DA02
Applicable Forms: N/A

Approval Date: 21 NOV 2006
Limitation: N/A
GIDEP Applicable: None

Use/relationship:

The Weekly Time Sheet shall be used to show actual hours worked and attendance by each contractor for the Contracting Officer.

This Data Item Description (DID) contains format and content preparation instructions for the data product generated by the specific and discrete task requirement as delineated in the contract.

This DID supersede DI-MGMT-81508.

Requirements:

1. Reference documents: None.

2. Format: Data shall be in contractor's format unless otherwise specified by the Contracting Officer Representative.

3. Content: The weekly time sheet shall cover the seven day period beginning at 0001 on a Sunday and ending at 2400 on the following Sunday.

3.1 Each contractor assigned to the contract shall be in the report and shall have summarized the preceding weeks time and attendance by:

a. Name duty station/workcenter and dates of reporting period
b. Job number or absence code for hours charged.
c. # of hours (regular).
d. # of hours (overtime).
e. # of shift hours.
f. Time in and time out (0700-1530).

3.2 The weekly time sheet shall use classified covernames for duty stations keeping the report unclassified.
