Amendment-1 to
Specification MIL-T-5383 (USAF)

SECTION 6

Paragraph 6.3 "Qualification tests".- Delete the entire paragraph and substitute the following:

"6.3 Qualification tests.- In the procurement of products requiring qualification, the right is reserved to reject bids on products that have not been subjected to the required tests and found satisfactory for inclusion on a Qualified Products List. The attention of suppliers is called to this requirement, and manufacturers are urged to communicate with the Wright Air Development Center and arrange to have the products that they propose to offer to the Air Force tested for qualification in order that they may be eligible to be awarded contracts or orders for the products covered by this specification. Information pertaining to qualification of products may be obtained from the Commander, Wright Air Development Center, Wright-Patterson Air Force Base, Ohio, Attention: WCLS.

THIS AMENDMENT FORMS A PART OF AND SHOULD BE FILED WITH SPECIFICATION MIL-T-5383 DATED 26 JUNE 1950

(Copies of this amendment and the basic specification may be obtained from the Commander, Wright Air Development Center, Wright-Patterson Air Force Base, Ohi
