Check the source to verify that this is the current version before use.

Microphone: None required.

Cord: The cord shall be in accordance with MIL-DTL-55668 or equal, with 2 (two) and 4 (four) conductor cords (see figure 2). The individual insulated conductors shall be colored (1. Black and 2. White) and (3. Red and 4. Green).

Wiring schematic: See figure 2.

This headset is interchangeable and replaces headset, electrical H-158/AIC.

Qualification. The activity responsible for qualification of products delivered in accordance with this specification sheet is Defense Supply Center Columbus (DSCC-VQP), 3990 East Broad Street, Columbus, Ohio 43218-3990 vqp.do@dla.mil, or vqp.jw@dla.mil. Information pertaining to qualification of products may be obtained from that activity. Qualification of product on the basis of similarity may be considered at the discretion of the qualifying activity on a case by case basis.

Amendment notations. The margins of this specification sheet are marked with vertical lines to indicate modifications generated by this amendment. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content, irrespective of the marginal notations.

Referenced documents. In addition to MIL-DTL-83511, this document references the following:

MIL-PRF-25670
MIL-PRF-25670/2
MIL-DTL-55668
