COMMERCIAL ITEM DESCRIPTION
HOLDER, LABEL, DESK TRAY, WOOD

The General Services Administration has authorized the use of this commercial item description as a replacement for Federal Specification GG-H-1488 which has been cancelled.

This commercial item description covers label holders which clip onto 5/16 inch thick vertical walls of wood desk trays.

1. Salient Characteristics

A. Holders shall be made of plastic or metal, have a smooth finish and be resistant to corrosion. Holders shall measure 2-1/4 ± 1/4 inches x 1-1/4 ± 1/4 inches.

B. Not less than two blank and three preprinted labels shall be provided with each holder. The preprinted labels shall display "Incoming" or "In", "Outgoing" or "Out", and "File" in neat characters at least 5/16 inch high. Printing shall be entirely visible when the labels are inserted into the holder.

C. Labels shall be white, unruled, index or ledger paper not less than 0.007 inch thick. When inserted into the holder, the label shall be protected by clear, transparent plastic.

D. The holder shall fit snugly and present a neat appearance when attached to the desk tray.

E. The finish of the desk tray shall not be marred as a result of having the holder fastened and removed.

Workmanship - Holders shall be free of sharp edges which could cause personal injury or scratch the desk tray and any defects which affect appearance or serviceability.

2. Quality Assurance

A. Each lot of holders shall be inspected for conformance to the requirements herein. Sampling for inspection shall be in accordance with MIL-STD-105 using the plans specified below.

DISTRIBUTION STATEMENT A: Approved for public release; distribution is unlimited

FSC 7510

Check the source to verify that this is the current version before use.

B. Sampling for visual examination - Inspection Level S-3 with an Acceptable Quality Level (AQL) of 4.0 percent defective. The sample unit shall be one holder.

C. Packaging, Packing, and Marking - Inspection Level S-2 with an AQL of 4.0 percent defective. The sample unit shall be one fully prepared shipping container.

3. Preparation for delivery

Packaging, packing and marking shall be as specified in the contract or purchase order.

4. Application for copies of technical documents referenced herein:
The issue date in effect on date of invitation for bids or request for proposal shall apply.

MIL-STD-105 is available from Naval Publications and Forms Center; 5801 Tabor Avenue; Philadelphia, PA 19120.

5. Recovered materials

The offeror/contractor is encouraged to use recovered materials in accordance with Public Law 94-580 to the maximum extent practicable.

DOD has registered no official interest.
