COMMERCIAL ITEM DESCRIPTION

CALCITONIN-SALMON INJECTION

The General Services Administration has authorized the use of this Commercial Item Description.

Salient Characteristics:

Shall be Calcitonin-Salmon Injection.

Shall contain 200 I.U. of Calcitonin-Salmon per ml within the applicable assay limits for the injection.

Shall be suitable for Subcutaneous and Intramuscular use.

Workmanship. Injection shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Vial (VI). One vial containing 2 ml, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE: This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document*(s)* or to amend contractual requirements.
