COMMERCIAL ITEM DESCRIPTION

BRUSH-SPONGE, SURGICAL SCRUB

The General Services Administration has authorized the use of this commercial item description in preference to A-A-0051425(DM), 22 April 1986.

This commercial item description covers ~~one~~ type of brush-sponge, surgical scrub, 4 percent chlorhexidine gluconate impregnated, disposable, non-irritating bristle with foam sponge backing. The brush-sponge shall be used for surgical scrub procedures to degerm the skin. The brush-sponge shall be individually sealed with nail cleaner.

Salient characteristics:

The surgical scrub brush-sponge shall be disposable , with non-irritating bristles on a foam sponge backing that is impregnated with a four (4) percent chlorhexidine gluconate solution. The brush-sponge shall be suitable for surgical scrub procedures to degerm the skin.

The brush-sponge shall include a disposable plastic nail cleaner.

The brush-sponge shall have a shelf life of at least 24 months. Not less than 20 months of the expiration dating period shall remain at the time of delivery to the Government.

Workmanship. The brush-sponge shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Package (PG). One package containing twenty-five individually packaged brush/sponges to a dispenser box, and eight dispenser boxes to a package, as specified, constitutes one unit.

Sampling for tests. Sampling for tests shall be conducted in accordance with MIL-STD-105 and as specified herein. The unit of product for test purposes shall be one (1) package.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

NOTE: The following National Stock Number is covered by this document:

6530-01-211-4810

Ordering data. Intermediate/exterior package quantities, labeling, and marking must be specified in the contract and/or order.

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE: This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document*(s)* or to amend contractual requirements.
