COMMERCIAL ITEM DESCRIPTION

POVIDONE-IODINE OINTMENT, USP

The General Services Administration has authorized the use of this Commercial Item Description as a replacement for Military Specification MIL-P-37134 which is cancelled.

Salient Characteristics:

Shall be Povidone-Iodine Ointment, USP.

All ingredients used in the manufacture of the ointment shall be of pharmaceutical grade.

Shall be in accordance with the requirements of the USP.

Shall be a topical germicidal ointment which contains Povidone-Iodine, USP, 10%, w/w (equivalent to 1% available iodine), within the applicable assay limits, in a suitable ointment base. The ointment base shall consist of polyethylene glycols with or without water. The ointment base may contain a suitable stabilizer and/or suspending agent.

The ointment shall contain no free iodine when tested as specified in Identification Test B in the USP monograph for Povidone-Iodine Ointment.

Workmanship. Ointment shall be free from defects which detract from its appearance or impair its serviceability.

Unit.

For Size 1 - Package (PG). Shall be supplied 1/32 ounce (0.89 to 1.0 gram) in an individually-sealed unit application container. One package containing 144 or 145 containers, as specified, constitutes one unit.

AMSC N/A FSC 6505

DISTRIBUTION STATEMENT A. Approved for public release, distribution is unlimited.

For Size 2 - Package (PG). Shall be supplied 1/8 ounce (3.54 gram) in an individually-sealed unit application container. One package containing 144 or 145 containers, as specified, constitutes one unit.

For Size 3 - Tube (TU). One tube containing 1 ounce (28.35 gram), as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580, as amended, and as implemented by Federal Acquisition Regulation Subpart 23.4 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE: This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document*(s)* or to amend contractual requirements.
