Check the source to verify that this is the current version before use.

NOTES:

1. The term (REF) refers to the measurements taken from the Government furnished hub or die.

2. This badge serves as the base for distinctive unit insignia worn by foreign military students.

3. The distinctive unit insignia specified in the requisition document shall be centered and secured to the base by two rivets. The rivets shall be located on and soldered to the vertical center line of the distinctive unit insignia. The distinctive unit insignia shall be manufactured in accordance with the latest revision of MIL-I-14654.

CHANGES FROM PREVIOUS ISSUE: Marginal notations are not used in this revision to identify changes with respect to the previous issue due to the extent of the changes.
