10 PREPARATION INSTRUCTIONS

10.1 Format. The Packaging Test Plan shall be in contractor's format.

10.2 Content. The Packaging Test Plan content shall be as follows:

10.2.1 Title Page. The title page shall include the contractor's name and address; contract number; project number; security classification; item, equipment or purchase description identification; and document title.

10.2.2 Identification. Identify each system, subsystem, equipment, assembly, item, and component to be tested.

10.2.3 Test Description. Identify and describe each test set-up at each level of test and include diagrams and sketches necessary to illustrate each test set-up.

10.2.4 Test Equipment. Identify and describe all required test equipment including special jigs and fixtures.

10.2.5 Test Procedures. Identify and describe each test procedure including test sequence, test parameters, and test participants.
